Laura:  
Promotion Activators has done the drawing. They are currently qualifying the winners' names. It takes about two weeks to get a certified list of qualified winners, and as soon as they have it, they will forward it on to you all! Call me if you have any other questions.

HELP!!! Do you know anything about who's doing the drawing / When the winners are chosen - the phones here are ringing off the hook. Not really but we've gotten a number of calls!

Laura,  
I really don't know much about this but when you get the info can you pass it along to me so I can send it to consumer affairs.

Cath, just a heads up...I know that the winners will be selected on or about March 1, but when that has been determined, please send us a list of the winners.

Many thanks for ALL your help.
